

Hello friends and local businesses!

As many of you know we are the Central Pennsylvania Ghostbusters(CPAGB). An officially recognized GhostCorps franchise group located in south central Pennsylvania. Established in 2012, we have been out in the community creating smiles and collecting donations that benefit local charities(mainly promoting Autism awareness and therapeutic services to disabled veterans/special needs individuals). All of our public community events we attend free of charge; asking only for the opportunity to collect donations that 100% go into the hands of those that need support. Over the past ten years our group has grown in size both with number of members but also in replica vehicles. We currently have two vehicles that allow us the opportunity to participate in more community events over the course of a year. On average we attend 20 public activities a year with close to thirty events during our busiest year.

Now we are asking if there is more we can do to build reciprocal relationships with our friends and local businesses? By becoming a supporter of CPAGB we can help spread the word about how awesome you are or how special your local business is. In return you will help us be able to maintain and upkeep our vehicles/equipment while still allowing us to be free of charge at public community events.

We are offering three types of opportunities to be a supporter. These are listed below:

Should you choose to be a supporter for the next year please follow the directions on the attached page.

We truly appreciate your time and consideration and look forward to the upcoming year working in our local communities!
